# Town Manager's Report

---

## To the Board of Selectmen and Citizens of Meredith:

I respectfully submit the annual Town Report of 1959. This report contains the annual audit report, other Town Officials reports and statistical statements that I am sure you will find both informative and interesting.

My own comments on the conduct and operation of town affairs must of necessity be of a summary nature, because any attempt to place before you in detail the various operational functions and accomplishments of your town government would be both time consuming and might border even on the boring.

I think of primary importance in commenting on town affairs is the presenting of the financial status of the community in an easily understandable manner and form. In 1959 your town government did not operate within its available funds or budget. In other words, expenditures exceeded available funds by the amount of \$2,915.07. This excess of spending over available monies is referred to as a Net Budget Deficit. Many factors can be cited as contributing to this situation. For example:

1. Unanticipated major repairs to our Walters Sno-Fiter and Galion Grader.
2. Above normal overtime labor and materials expense due to the severe winter.
3. A wage adjustment granted in April to all employees other than clerical, which was not in the budgeted figures.
4. A continuing increase in the cost of needed materials.

The 1960 Budget as submitted for your approval totals \$262,296.32, representing an increase of \$17,982.19 over the 1959 Budget as submitted and approved. The following expenses account for the major increases:

Police Department	\$3,090.00
Civilian Defense	1,000.00
Winter Maintenance	4,000.00

Highway General Expenses	1,200.00
Assessment Records	3,000.00
Temporary Loan Interest	2,800.00
Deficiency Approp.—1958 & 1959 Budgets	7,915.07

The special appropriation articles which are submitted for your approval total \$3,958.93. In 1959 special appropriation articles submitted and approved totalled \$19,466.53. This years requests thus total \$15,507.60 less than last year. From this summary it is evident that this years Budget and Special Articles total \$266,255.25 as compared to last years figure of \$263,780.66 or an increase of \$2,474.59.

The year 1959 saw some major accomplishments of a constructive nature. Our new docks and parking area in Meredith Bay were constructed, and dedicated in August at appropriate ceremonies in conjunction with the Centennial Celebration, by Governor Wesley Powell. These docks I feel sure will contribute to the economy of Meredith and they are a tribute to you its citizens for your willingness to underwrite this expense and add this facility to the recreational advantages that Meredith offers to the people of not only the state but the nation.

### **Roads:**

Some progress was made during the year in upgrading our roads. Major improvements totaled \$19,614.60. Of this total approximately \$15,900. was expended on nine roads. This coming year we anticipate spending another \$15,000. on major improvements.

Under the State Town Road Aid program the Livingstone Road was oiled from Parade Road to DeCelles, and a start was made on improving a section of the Chemung Road. Additional work will be continued on this road this coming year.

We are making every effort we can within ability to pay, to bring our roads up to a respectable standard. At times it appears to be a discouraging venture but in time we hope to show noticeable overall results.

### **Sidewalks:**

Of our 1959 sidewalk appropriation of \$2,000., the Lake Street sidewalk, south side, was reconstructed at a cost of \$1,520.00. I think this constitutes a noticeable and major improvement to the community. This year the sidewalk appropriation money has been earmarked for Plymouth Street which is badly in need of repair.

## Police Department :

The 1959 Town Meeting authorized the employment of an additional police officer. This move in my judgement was a wise and foresighted one. A review of the report submitted by your Chief of Police will, I feel, acquaint you with the numerous and varied duties and services which your police department is called upon to perform. This year the department budget requests \$3,090. more than was asked for in 1959. Part of this increase results from the fact that a full years salary for the second officer is a part of the budget. Another contributing cause for increase results from reduced anticipated revenue from parking meters and fines. The town last year adopted a more lenient policy of meter enforcement than formerly practiced. As a result our parking meter revenue dropped off considerably over prior years. However, I feel that the money requested for the department is money well spent and on which we can get a one hundred percent return.

In conclusion I extend my thanks to the Board of Selectmen and all other Town and Precinct officials and employees for their support and cooperation in the past year. I wish also to thank you, the citizens of Meredith for your continued support, cooperation and understanding of the problems involved in the management of town affairs.

Respectfully submitted,

C. DAVID SULLIVAN

Town Manager

**Meredith Town Warrant**

---

**To the Inhabitants of the Town of Meredith qualified to vote in Town affairs:**

You are hereby notified to meet at the Meredith Municipal Building in said Town, on the 2nd Tuesday of March next at 9 of the clock in the forenoon to 6:30 of the clock in the afternoon for the casting of ballots, and at 8 of the clock in the evening at the Robert Pottle Memorial Auditorium in the Inter-Lakes High School in said Town to act on the following Articles:

1. To bring in your ballots for Town Clerk for one year, one Selectman for three years, Treasurer for one year, one Trustee of the Trust Funds for three years, and two Library Trustees for three years.
2. To choose other necessary Town Officers.
3. To see if the Town will authorize the Selectmen and Town Treasurer to borrow money in anticipation of the collection of taxes for the current year and issue notes therefore, said notes to be repaid during the current municipal year.
4. To hear the report of the budget and act thereon.
5. To see if the Town will vote to authorize the Tax Collector to appoint a Deputy Tax Collector under the provisions of Section 42, Chapter 80 of the Revised Laws of 1942 as amended by Chapter 7 of the Laws of 1945.
6. To see if the Town will vote to approve the provisions of the following act, approved by the Legislature July 9, 1959. Said Act reads as follows:

**404: 1 Meredith Village Fire District.** The Meredith Village Fire District shall be dissolved and the property and the assets of said district shall become property and assets of the town and liabilities of said district, if any, shall become liabilities of the Town of Meredith.

**404: 2 Commissioners.** The Fire Commissioner of said District shall become Water Commissioners of the Mere-

dith Water Department of the Town of Meredith; said Water Commissioners shall have full charge and control of the construction, management, and maintenance of said Water Works and may appoint a superintendent and other necessary officers with such powers and duties as they may, from time to time, prescribe for them. As the several terms of the Water Commissioners expire, they shall be elected or re-elected in the same manner as the other elected officers of the Town.

**404: 3 Department Established.** The District Fire Department shall become the Fire Department of the Town of Meredith. The District Water Department shall become the Water Department of the Town of Meredith.

**404: 4 Referendum.** This act shall not take effect until a referendum has been had as herein provided. In the warrant for a special or annual town meeting in the Town of Meredith shall be an article calling for a consideration of the adoption of this act, and if a majority of the voters present and voting at such meeting shall approve the provisions hereof the act shall be deemed to have been adopted by the voters of the Town. In like manner an article calling for a consideration of the adoption of this act shall be in a warrant for a special or annual meeting of the Meredith Village Fire District and if a majority of the voters present and voting at such meeting shall approve the provisions hereof, the act shall be deemed to have been adopted by the voters of the District. If the act is adopted by both the Town and the District it shall be effective as of January first following such action.

**404: 5 Takes Effect.** For the purpose of the referendum provided in section 4, this act shall take effect upon its passage. The remaining provisions of this act shall be effective as hereinbefore provided if the act is adopted. (Approved July 9, 1959.)

7. To see if the Town will vote that an annual report of the Town shall be mailed every taxpayer on Meredith Tax Property at least ten days prior to the annual Town Meeting. (By Petition.)
8. To see if the Town will vote to raise and appropriate the sum of \$1,108.93 for Town Road Aid and construction, maintenance and reconstruction of rural post roads and Class V highways, provided the State will set aside the sum of \$7,392.87 for this purpose.
9. To see if the Town will vote to raise and appropriate the sum of \$700.00 to help defray the expenses of the Infor-

mation Booth. (By request of the Meredith Civic association.)

10. To see if the Town will vote to raise and appropriate the sum of \$500.00 for Christmas Street Lighting. (By request of the Meredith Civic Association.)
11. To see how much money the Town will vote to raise and appropriate for the benefit of the Laconia Hospital. (By request of the Laconia Hospital Association.)
12. To see if the Town will vote to raise and appropriate the sum of \$702.04 which is 1/100 of one percent of the assessed valuation of the Town, to the Lakes Region Association for the purpose of publicizing and promoting the natural resources of the Town. (By request of the Lakes Region Association.)
13. To see if the Town will vote to authorize the Selectmen to discontinue as a Town Road that road commonly known as Bickford Road, designated as Inventory No. 99 on Straight Line Diagram Progress Profile issued by the State of New Hampshire Highway Department, said road being 0.21 miles in length more or less and six feet in width.
14. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twentieth day of February, in the year of our Lord nineteen hundred and sixty.

## **SUMMARY OF FINDINGS AND RECOMMENDATIONS**

February 24, 1960

Board of Selectmen  
Meredith, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Meredith for the fiscal year ended December 31, 1959, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

### **SCOPE OF AUDIT**

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library Treasurer, Trustees of Trust Funds and Municipal Court.

### **FINANCIAL STATEMENTS**

**Comparative Balance Sheets: December 31, 1958-December 31, 1959: (Exhibit A-1)**

Comparative Balance Sheets as of December 31, 1958 and December 31, 1959, are presented in Exhibit A-1. As indicated therein, the Net Debt decreased by \$24,134.93 in 1959.

**Analysis of Change in Financial Condition: (Exhibit A-2)**

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

#### **Decrease in Net Debt**

Long Term Notes Paid	\$37,050.00	
Bonds Paid	25,000.00	
	<hr/>	
		\$62,050.00

### **Increase in Net Debt**

Long Term Notes Issued	\$35,000.00	
Net Budget Deficit	2,915.07	
		<hr/>
		37,915.07
		<hr/>
Net Decrease		\$24,134.93

### **Comparative Statements of Appropriations and Expenditures Estimated and Actual Revenues: (Exhibits A-3 & A-4)**

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1959, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net overdraft of appropriations of \$10,844.21, less a revenue surplus of \$7,929.14, resulted in a net budget deficit of \$2,915.07.

### **Summary of Receipts and Expenditures: (Exhibit B-1)**

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1959, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1959, is indicated in Exhibit B-2.

### **Statement of Long Term Indebtedness: (Exhibit H)**

A statement of outstanding long term indebtedness as of December 31, 1959, showing annual debt service requirements, is contained in Exhibit H.

## **AUDIT PROCEDURE**

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

## GENERAL COMMENTS

### Current Deficit:

It is noted that the current deficit (excess of current liabilities over total assets) increased from \$25,023.73 to \$27,938.80, in 1959, as shown herewith:

	December 31, 1958	December 31, 1959
Total Assets	\$132,255.16	\$387,910.58
Current Liabilities	157,278.89	415,849.38
Current Deficit	(\$ 25,023.73)	(\$ 27,938.80)

In our report last year, it was recommended that provision be made in the 1959 budget for an appropriation to cover the whole or a part of the 1958 Current Deficit of \$25,023.73. It was further suggested in order that the tax rate might not be increased too sharply in one year, that annual appropriations for a part of the deficit be made over a period of years until such time as the current deficit was entirely liquidated. No deficiency appropriation, however, was made in 1959 and, as heretofore noted, the current deficit as of December 31, 1959, had increased to \$27,938.80.

In order to remain in sound financial condition, a Town should at all times have sufficient assets to meet its current liabilities. This situation should therefore be given serious consideration and provision made in this year's budget to reduce the current deficit.

Inasmuch as the deficit resulted from appropriation overdrafts in each of the years 1958 and 1959, a concerted effort should be made to keep expenditures within appropriations.

### Uncollected and Unredeemed Taxes - Prior Years:

It is recommended that the Board of Selectmen and Tax Collector go over the uncollected tax lists on the tax warrants of 1955 and prior years and abatements made in cases where the taxes appear to be uncollectible.

It is also recommended that tax deeds be taken by the Town on properties represented by unredeemed tax liens on account of tax sales of the levies of 1956 and prior years, the two year period in which redemptions may be made having expired in all of such cases.

## Conclusion :

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. This letter of transmittal should be included in its entirety but the publication of Exhibits is optional.

We extend our thanks to the officials of the Town of Meredith for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director  
Division of Municipal Accounting  
State Tax Commission

Norval D. Lessels, Auditor

Hugh J. Cassidy, Accountant

## Report of Secretary of the Public Health Nursing Association

---

At the annual meeting of the Meredith Public Health Nursing Association held January 19, 1959, the following officers were elected to serve: President, Mrs. Barbara Neal; Vice President, Mrs. Blanche O'Brien; Secretary, Raymond Pickering; Treasurer, Clyde C. Smith; Directors, Maurice Taylor, Mrs. Marjorie Piper, Mrs. Beverly Bacon.

Many changes have taken place during the past year. From a rather low ebb at one time, the association has moved into "high gear" and in addition to its usual activities, new projects have been undertaken and others are under consideration in order that our association may assume its rightful function in becoming of the greatest possible benefit to the townspeople who have so generously supported it.

At the annual meeting a letter was received from the School Board, stating that they had voted to withdraw from the cooperative agreement with the Association in regard to sharing the services of the same nurse. This was to be effective on January 1, 1960. The Nursing Association voted to notify the School Board that their suggestion was accepted, but dating termination of the agreement as of June 30, 1959. August was to be considered the nurse's vacation and the Association would assume her full salary from September 1 to the end of the year. Plans were discussed to utilize the nurse's additional time, available in being relieved of school demands, which occupied about 85% of her time previously.

As there was some thought that possibly the usefulness of the project had been outgrown, a meeting of members and interested persons was called at the Municipal Building to discuss the matter. Dr. Prince, a member of the State Board of Public Health Nursing, Mrs. Comstock, Public Health representative for Belknap County, and Mrs. Marjorie Scott, Public Health Nurse at Franklin were present to advise and a statement from local doctors also showed a desire that the activity be continued. The consensus of those present was that the Association continue and expand its services. At the request of the Association the Selectmen granted the use of a room for the nurse's office and two small adjoining rooms, for which the Association pays \$10 a month. We also pay for the telephone in the nurse's office.

Mrs. Marguerite Curtis resigned as nurse, effective August 1st and the Association was fortunate in being able to secure the services of Mrs. Ann Hickey, R. N., our present nurse, to fill the vacancy.

In view of the expanding program with increased activity and new problems, the Executive Board has met the second Tuesday evening of each month instead of quarterly as previously.

In response to invitation by the Association, organizational groups sent representatives to a meeting at the Municipal Building to coordinate the distribution of Thanksgiving and Christmas baskets. At this meeting plans were also discussed for forming a continuing Community Chest project. The plan was well received and at a later meeting many gifts of cash, materials and promises of continued cooperation as needed were received.

The annual appeal for memberships and contributions was sent out on September 21. Response has been greater than last year and contributions continue to trickle in. A total of \$275 has been received to date. The Association now has a membership of 122, with 31 others contributing; a total of 153 replies to the appeal.

In conclusion, a great deal has been accomplished in a few short months through the work of the nurse, Mrs. Hickey, with the support of the Executive Board and the fine cooperation of many interested people and organizations. But it is only a start in what is hoped may be accomplished in the next twelve months with continued cooperation. The Association wishes to express its deep appreciation to all who have, in any way, had a part in accomplishing this progress.

Respectfully submitted,

RAYMOND V. PICKERING

Secretary

Type and number of calls made:

District	117
Welfare	25
Child Guidance	8
Neonatal	3
Postnatal	3
Home Delivery	1

One child was taken to the Guidance Clinic at the Laconia Hospital.

One Polio and one (1) T. B. Patch Test Clinic attended.

Governor's Conference on Children and Youth attended.

There were two meetings of the Community Service Committee. This was the name given the joint effort of the many organizations of the Town to coordinate their donations at Thanksgiving and Christmas and cover a wider group. More townspeople benefited through the outstanding gifts of money, clothing and food.

The Salvation Army bought winter footwear.

Fire Department - \$25.00; Rotary - \$20.00; Wicwas Grange - \$3.00.

Mittens, sweaters and layettes were made and given by individuals and church groups.

Girl Scout Troop No. 461 - dressed dolls for the children.

Burns Olden Post gave surgical equipment through Mr. Weaver.

Through the Community Service Committee water was piped into an invalid's home.

In the field of Public Health much interest has been shown. Films have been viewed and the health problems of the Town discussed and an effort made to better same.

A survey of the pre-school child is now going on and it has been noticed that many of the school children now entering school were immunized at previous clinics.

There is a lack of opportunity to obtain low cost immunization especially of the young adult married and with a family.

It would seem that some assistance is needed in this field, also to encourage annual physical examinations and X-Rays.

Dental health of the pre-school child should also receive more attention.

Respectfully submitted,

ANN HICKEY, R. N.

# Report of Police Department

---

The Police report this past year shows an increase, as was the trend in New Hampshire, in accidents, court cases, complaints etc. I think it most interesting and also alarming to review the breakdown of the accidents.

We investigated 56 accidents, compared to 33 the previous year. 24 persons were injured and 2 fatalities resulted. This compares with 9 injured and no fatalities for the previous year. We had 22 one car accidents and 34 two car accidents. 22 were from out of state and 68 from New Hampshire. 18 of these New Hampshire cars had no insurance, as a result of which 11 persons appeared in court.

It is hoped that regulations can be set up this year governing traffic violations, parks, playgrounds, beaches, docking areas and other public owned property so that such regulations can be properly enforced.

Another problem is dogs for which the statistics are shown in the accompanying detailed report. In most cases, where dogs without a license tag were injured or killed by a car, we were unable to locate the owner and in no single case were any of them reported missing. It is hoped that some arrangement can be made by the Board of Selectmen and with the Humane Society to take care of the disposition of such dogs, as we seem to have more than our share of stray dogs.

I would like to mention the activities of our Auxiliary Police this past year. They received hats, shirts, emblems, badges etc. and raised the greater part of the money to pay for these items themselves. They have held regular monthly meetings, were active during the three day centennial celebration, legion carnival, which was a six day affair, air-raid, horse show, Halloween, Xmas party for the children etc. and they plan to have a Halloween party for the children next year. These men to be Auxiliary Police officers, have taken a ten week course in police work because they are interested in Meredith. They have never received a cent of pay and I feel we should all be very proud of the outstanding work which they have done.

Respectfully submitted,

NORMAN R. MARTIN, Chief

## PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note. 58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.  
10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fire would radically change this picture.

The rules are simple—

1. Before burning, secure a permit from your local fire warden - the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles - use your ash tray.
5. Don't burn at home - Use your town dump and save yourself much possible difficulty, both personal and financial.

Acreage burned - 8

Number of permits issued - 277
